STATEMENT OF PROBABLE CAUSE  
(For issuance of an arrest warrant or summons)

I state that July 11, 2014 while exercising my duties as a law  
officer in the Southern District of OH

Pursuant to 16USC 551: I received a report from the Leith Run Campground host that two women had complained that a group of six individuals, including Samantha J. SEXTON, had been drinking and cursing loudly through out the night while occupying Site 21 in the primitive area of the campground. I responded to the area and collected written statements from both of the women that stated that they had heard loud yelling and cursing and that at one point in the night they heard one person say "I'll shove this gun up your ass and pull the trigger" followed by the sound of a gun's action cycling. I contacted the group and secured a 9mm handgun before talking with the six individuals. Though no one admitted to using any threatening language or threatening to shoot anyone, the group did state that they were loud and could have easily caused a disturbance with their language.

The foregoing statement is based upon:
